The 5th IDT Expo was held on the 3rd to the 5th December 2009 in the Hong Kong Convention & Exhibition Centre. As one of the major design association in Hong Kong, HKIDA presents to be the active participant of this annual flagship event. The HKIDA showcase located at the main entrance of the major theme zone, Inspiration Hall, has displayed the complete progress of the "RIDA Project" and the Asia Pacific Interior Design Award 2009 winning projects. It also spotlighted nearly 100 member's work in the members showcase corner.

Professional Interior Design: What's in it for your brand and business?

To promote the value of professional interior design on business, HKIDA has partnered with HKTDC to hold a seminar to tell – "Good interior design should be able to project your brand value, brand attitude and brand positioning from spatial structure, design & aesthetics, functional environmental settings and project management."
